

PHYSIO4ALL

revitalise – bounce – be healthy

“Over the last year, we have implemented PHYSIO4ALL’s corporate services to enhance our OH&S department. As a result of PHYSIO4ALL’s ergonomic seminars, we are happy to say that all employees who attended the ergonomic seminar discovered the importance of maintaining a healthy work environment and now thrive to put in place the knowledge gained from the seminars. We all enjoyed Corey’s enthusiasm as he left us with practical information on workstation correction and risk analysis.

Hyder Consulting would highly recommend PHYSIO4ALL’s corporate services to any organisation who wishes to enhance their OH&S structures.”

Yours Sincerely,

Catena Spezzano
